

SquareRes.cpp

```
graph TD; A[SquareRes.cpp] --> B[math.h]; A --> C[assert.h];
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'SquareRes.cpp'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box labeled 'math.h'. The right arrow points diagonally down and to the right to another white rectangular box labeled 'assert.h'. All boxes have a thin black border.

math.h

assert.h
